Civil Ceremonies

At Statham Lodge , we are delighted to offer a choice of 5 elegant rooms for your civil ceremony . Our ceremony rooms can accommodate weddings from small gatherings of 10 to larger parties of up to 250 guests - the most popular being the Shelley Suite with it's elegant 18th century bay window and beautiful views over the grounds .

The maximum seating capacity in the Shelley Suite is 120 guests and up to 250 guests in the Gainsborough Suite. Should you wish to hold your civil ceremony outside, we are licensed to hold the ceremony on the gazebo terrace.

On the day of your marriage, it will be necessary for two registrars to attend - one to conduct the ceremony and the other to register the marriage. Registrars will attend the hotel from 10.00am to 4.00pm , Monday to Saturday, subject to availability and at selected times on Sundays.

As soon as you have made a provisional arrangement for a marriage to take place at Statham Lodge , we recommend you check availability with the Warrington Register Office , telephone number 01925 442762.

It is the Bride & Groom's responsibility to book the registrar for the civil ceremony and to inform the hotel of the chosen time.
